## August Sermon Series

### When God Calls...Serving with Jonah

Though the story is succinct, Jonah's call to Nineveh provides a formative experience for all who serve God. Jonah must confront his distorted worldview and begin the difficult task of understanding how God can use him. We are separated by time and space from Jonah and his journey to Nineveh, but God is still calling us in similar ways. Like Jonah, we must address our flawed perspectives and realign with God's mission. God's calling doesn't always seem obvious, and even when it is definite, we are not prepared. Further, God seems to call us for service in much more ordinary ways than traveling to a foreign land. Join us beginning this Sunday as we seek for God to call us and use us.
