Adult Classes beginning March 1st

Living a Life Worthy of the Calling You Have Received

Taught by Mike Gilliland

The class will be exploring "current day applications" of Paul's letters of encouragement to the churches in Ephesus, Colosse, and Philipi, as well as his letter to Philemon. Paul wrote these letters later in his life from prison in Rome. Please be praying for Mike's preparation and that this class will lead us into a deeper relationship with God and an ever increasing desire to live a life worthy of our calling.

Mere Discipleship

Taught by Sam Garner

Living out our faith demands a serious approach to ways of Jesus. We are called everyday to take up our cross and lead a godly life in the midst of an ungodly world. In this discussion based class, we will re-imagine what a true Christ-follower is. Our goal will be to engage the core beliefs of a Christian and seek a better understanding of basic discipleship. If you are interested in this class, please speak to Sam because we will use a book to guide our discussion.
