Dear CVCC family,  
I wanted to take a moment to thank you all for your prayers and support in regards to my upcoming summer work with Hartford City Mission. Thanks to many of you, I was able to reach my financial goal for the entire summer BEFORE I even got to HCM! This has been a beautiful blessing, and I am extremely grateful to all of you who have contributed in some way. Your prayers are going to mean even more to me as the summer unfolds, and I thank you ahead of time for their continuation. I'm going to miss seeing your faces! Thank you again!

Grace & Peace,  
Cara Webb

### Used Clothing for Women and Children

Used clothing is being collected for widows, abused women and their children in India. Small and medium women's sizes are best and all children's sizes are needed. Purses and other small bags are also needed. The items we collect will be distributed by Leela Manessah, a woman who visited our congregation in March. Leela works for the Indian Bible Society and travels frequently throughout India. Everywhere she goes, she carries an extra bag with these used items to hand out to needy people she encounters. She also has begun a ministry with abused women in Bangalore, and they arrive on her doorstep with few belongings. A box will be placed in the kitchen area. The items we collect will be mailed in late June. For additional information, see Pat Burke.
