LTC ~ This Week's Update

2 Samuel 8-9

David defeated and subdued his enemies because, "The Lord gave David victory wherever he went." David then turned to honor his oath that he made in 1 Samuel to Jonathan. David asked, "Is there no one still left of the house of Saul to whom I can show God's kindness?" Then David told Mephibosheth, the son of Jonathan, "I will restore to you all the land that belonged to your grandfather Saul, and you will always eat at my table."
